Sir:

In response to the Office Action dated 02/20/2008, please amend the above-identified application as follows:

In the Claims:

Please cancel claims 1, 3 and 7.

An amended set of claims is now submitted (additions are underlined, deletions are bracketed); please note that independent Claim 1 is canceled and that original dependent Claim 2 is now independent, and that therefore all former references to Claim 1 are now being amended to read "according to Claim 2" since Claim 2 is now the independent Claim.

Amended set of claims:

1.- (Canceled) Anatomical nasal inhaler of the type that are partially introduced into the nasal cavities in order to facilitate breathing, characterised in that is made up of:

- two cylindrical tubes (1.1) generally parallel, each with an end area (8) that is threaded on its exterior at a length less than 5 mm.
